**Inventory Management Acknowledgment**

The following information must be collected prior to the set up of a dealership's Inventory Management subscription.

Inventory Management Users		
Name	Title <small>(Sales/Desk Manager, Used Car Manager, Inventory Manager, etc.)</small>	Has Existing SFI Login

Below, list the primary and secondary (if applicable) employees responsible for the listed activities.

Task	Primary Employee	Secondary Employee
Appraising Vehicles		
Pricing Vehicles		
Re-pricing Vehicles		
Managing Photos/Photo Vendor		
Writing, Managing Discriptions		
Verifying Online Listing Accuracy		

**Book Provider Subscriptions (Additional Cost)**

Below, select the vehicle book provider or providers you wish to subscribe to for Inventory Management. Please note that you will need to replace any existing book provider subscriptions you may have and initiate and pay for a new subscription with the same provider or providers through Autosoft.

**Select Book Provider**

- Black Book
- Kelley Blue Book
- NADA Used Car Guide
- Manheim Market Report

## Pricing, Current

Please use the table below to identify the system or systems you currently use to input your **initial selling price** and **subsequent pricing revisions**. (Select all that apply and provide the provider's name in the field to the right.)

Autosoft DMS

Inventory Management Tool

Website/Webhost Tool (Dealer.com Control Center, dealercarsearch.com)

Third-Party Site (Autotrader back-end tool, etc.)

Other:

## Pricing with Autosoft Inventory Management

Please use the drop-down menus to identify the "name" of the field (MSRP, List Price, or Internet Price) in which you will input prices when using your new Autosoft Inventory Management tool for pricing. For instance, for New, Original, you may select MSRP, while Used, Original may be Internet Price. The prices you select here will determine which fields are exported when syndicating your vehicles.

### Vehicle Price

Use menus to select pricing option for each

New, Original

New, Web Price

Used, Original

Used, Web Price

Other:
