

This utility allows Mitsubishi dealers to download parts orders and parts returns to Mitsubishi. To access this utility, the current inventory source must be mapped to a Mitsubishi parts price tape. You can verify the price tape information for an inventory source by selecting **Operating Defaults** on the Parts System Setup & Updates menu.

- 7. Fill in the Ship To Name and Bill To Name.
- 8. Click Submit.
- 9. Click **OK** when prompted to verify you want to download the file.
- 10. The system displays a message indicating the download is complete. Click **OK** to acknowledge the message.
- 11. The system returns you to the Mitsubishi Parts Interface menu.

- 12. Navigate to the MitsubishiDealerLink.com and log in.
- 13. Click Parts on the homepage.

14. Select **Systems** from the options that open below the main navigation. Then click **Dealer Vendor Interface** in the left navigation if it is not expanded.
